**ROB WILLIAMS JOINS LUNENBURG HEALTH SERVICE, INC. BOARD OF DIRECTORS**

Rob Williams, a life-long resident of Lunenburg County, was recently elected to the Board of Directors of the Health Service. Rob is the great-grandson of the late Robert Miles Williams, who established the Health Service in 1947 to provide supplemental

health support to all county residents, regardless of their income level. He also carries on the legacy of his grandfather, the late Robert Wyche Williams, who served on the Board of the Health Service for many years.

Rob is the founder of DataCare Computer Sales and Services, Inc., which provides a variety of computer services to businesses and individuals in Southside Virginia. He is well-known in Lunenburg County for his service with Victoria Fire & Rescue.
